THE CREDIT MANAGERS

Innovative Trust Services

abilita GmbH supplies its innovative Trust services to companies, corporations and private individuals both in Germany and throughout the world, enabling personal and professional transactions to be undertaken by all parties with confidence and security.

With the abilita trust services we are offering our clients a service with which their business transactions, both national and global, can be completed with confidence and security for all parties. Let your company benefit from the guarantee of a safe transaction, provided by our service.

Use the abilita trust services with confidence

abilita is a company with limited liability and our business is located in Germany, that means our business activity is regulated by German legislation and you enjoy the protection of all laws and financial regulation of Germany.

The abilita trust contract is a legally binding document including certain conditions between the seller and the buyer. abilita acts as a trustee, assigned by both parties. When the arrangements are made and the requirements are met, the trustee hands over an amount of money in exchange for the goods that are bought.

Course of the abilita trust service - To play it safe in seven steps

- Step 1: buyer and seller enter a contract
- Step 2: buyer and seller enter a trust contract with abilita
- Step 3: buyer transfers the purchase price to the abilita trust account
- Step 4: seller receives notification of the cash receipt from abilita
- Step 5: seller sends the goods to the buyer
- Step 6: buyer confirms the receipt of the goods to abilita and inspects them
- Step 7: if the goods are all right, abilita transfers the payment to the seller

Advantages of the abilita trust service

- innovative service by a respectable partner
- absolute confidence for both buyer and seller
- no failure of payments or receivables
- effective protection from cheating and abuse for buyer and seller
- payment only after receiving and inspecting the goods
- world wide transactions
- Most attractive fees
